Hi Mario,

Would I be able to stop by your office at 10:30 to drop off the remaining items? Since this is my first time applying for this permit, I want to be sure I understand the process. If today is not convenient, please let me know what works well for you.

Thanks,

If you prefer, you can drop it off at our office. Or you can always mail the check, and email the rest of the items. Either way is fine.

Hi Darin,

From the last list of streetlights that you provided, only the ones below may be good for installation of a medallion. Keep in mind that this is only a preliminary check and the final decision to approve a location will be made at the time the formal request is submitted as per our policy for attachment of permanent art displays.

Hi Mario,

Thank you for getting back to me with the approved street lights. I would like to submit more but don't want to overwhelm you. Would it be better to submit all of them at once or in sections like I have been doing? Let me know what works best for you.

Take care,
